- **Touch for Health is in four parts and must remain in sequence. At the commencement of parts 1 to 4 an additional workbook can be purchased (\$120) which provides for an additional 60 hours accreditation. The workbook is marked to accredit the hours at an additional two days (\$460) TFH Proficiency. Proficiency days booked by arrangement.**
- **Mentoring to Certificate IV level with the Australian Kinesiology Association by arrangement.**
- **Clinic hours for accreditation to Cert. IV kinesiology available at our registered clinic in Bowral (\$50 per hour).**

All above courses can be presented to Associations for Continuing Professional Education.

**There is no pre-requisite for Brain Gym 101 or Vision Circles
BG 101 is the first course toward becoming a Brain Gym/Educational Kinesiologist Instructor.**
